

Where's My Refund?

Once taxpayers file their federal return, they can track the status of their refunds by using the "[Where's My Refund?](#)" tool, which taxpayers can get to using the IRS2Go phone app or from the front page of www.irs.gov. By providing their Taxpayer Identification Numbers, filing status and the exact whole dollar amount of their anticipated refund taxpayers can generally get information about their refund 72 hours after the IRS acknowledges receipt of their e-filed returns, or three to four weeks after mailing a paper return.
